As it was in the days of Noah

Matthew 23:3 - As He was sitting on the Mount of Olives, the disciples came to Him privately, saying, "Tell us, when will these things happen, and what will be the sign of Your coming, and of the end of the age?"

Part of Jesus reply was "As it was in the days of Noah, so shall it be in the days of the Son of Man." In the parallel passage of Luke 17 Jesus also says "It was the same as happened in the days of Lot."

If we are near the "end of the age" we should examine the scriptures to understand society's characteristics in the days of Noah and Lot. The scripture gives both man's view of his society and God's view. Are there similarities in what was going on in societies around Noah and Lot?

Do we see any similarities in our society today with events prominent in Noah and Lot's day? If so, how does the level of similarities of their societies measure against ours today?

The attitudes and actions in both Noah's and Lot's societies resulted in the judgment of God. Is our society also rushing toward God's judgment? If so, what can you and I do to personally avoid that judgment and help others avoid it. Will we take the necessary steps?
